

## XPO Logistics Receives Top 10 3PL Excellence Award from Inbound Logistics

July 26, 2021

GREENWICH, Conn., July 26, 2021 (GLOBE NEWSWIRE) -- [XPO Logistics, Inc.](#) (NYSE: XPO), a leading global provider of supply chain solutions, has received a Top 10 3PL Excellence Award, as voted by the readers of Inbound Logistics magazine. Additionally, the company has been named to the publication's Top 100 3PLs in a separate process for the eighth consecutive year.

Malcolm Wilson, chief executive officer of XPO Logistics Europe, said, "We thank Inbound Logistics for these awards, which ultimately reflect the value we deliver. It's always a special honor to be recognized by 3PL customers with direct experience of our logistics and transportation services."

Inbound Logistics determines the top 3PL providers based on two factors: input from customers outsourcing to 3PLs, and the evolution of the types of services that best-in-class 3PLs offer. The selection is based not on size, but on services offered, types of customers, corporate culture and the ability to solve challenges unique to a customer's supply chain by providing the optimal solutions.
